FIGHT OVER THE COFFIN.

Row Takes Place at a Funeral Over Merits of Deceased.

OAKLAND, Cal., August 22.—John Connelly, a plasterer, and Martin O'Brien, a painter, both of San Francisco, created a disturbance at the funeral of Dennis J. Reardon, from Beaudry & McAvoy's undertaking parlors, Eighth and Washington streets, Oakland, at 2 o'clock yesterday afternoon.

The two men, mutual friends of the dead man, at the close of the services rushed pell mell into the street, striking at each other with their fists. After a fierce tussle they were separated. Police-man McKeegan arrived later, but as he did not see the fight and as there was no one present who wished to swear to a complaint no arrests were made. It was learned from one of those present that Connelly and O'Brien quarreled over the merits of Reardon.

From the undertaking parlors the body was removed to Sacred Heart Church, where services were held at 2:30 o'clock. The interment was at St. Mary's cemetery.

Reardon had been a resident here for 15 years. He owned considerable property and was for many years an employe of the Southern Pacific. He was a native of County Cork, Ireland, aged 31 years. He leaves a widow, Hannah Reardon, and a brother, Daniel Reardon.

ABERDEEN DREDGE.

ABERDEEN, Wash., August 22.—J. C. Darms, of the Pacific Dredging Company, reports that arrangements are nearly completed for beginning the work of dredging the harbor. The work will be done with a dredge that can handle 200,000 cubic feet of dirt a month.

MILK MONEY GONE.

CHICAGO, August 22.—The treasury of the Milk Wagon Drivers' Union alleged the depleted contents to be \$20,000 through the juggling of accounts by the Secretary-Treasurer. Whether the money is gone or invested in such a manner and can again be secured is not known.

FRENCH SOLDIERS FOR DRUDE.

PARIS, August 22.—It is officially announced that General Drude will shortly have 5000 men to insure the protection of Casa Blanca, with further reinforcements ready to embark for Morocco. The government reiterates its firmness of carrying out its proposed plan, which is not one of conquest.

APPEALS TO VARDAMAN.

Western Union Asks That Governor Give Operators Protection.

JACKSON, Miss., August 22.—The superintendent of the Western Union this afternoon appealed to Governor Vardaman to protect the telegraph offices at Holly Springs, Grenada and Greenwood, stating that operators are forced to quit and the manager threatened with indignities. The governor directed the superintendent to appeal to the courts. If they were unable to enforce the law he would take special measures.

NATURE FIGHTS ICE TRUST.

REDDING, Cal., August 22.—Southern Pacific rock crusher employes have discovered a mammoth cave of natural ice, 250 feet thick, in Black Butte, near Sisson. Air from the cave passing through a subterranean cave is so cold the men had to seek shelter and the draft was strong enough to operate a windmill placed at the mouth. Hundreds of people visited the scene. Explorations are in progress with a view to getting out the ice for commercial use.

LIFE INSURANCE THE OBJECT.

NEW YORK, August 22.—George Carnie and his sister Marion were jailed today at Staten Island in a conspiracy charge to kill their brother-in-law and secure \$1500 life insurance. It is stated that George Carnie admitted his guilt, but protested his sister's innocence.

ILLEGALITY QUESTION UP.

Indictments by Oliver Grand Jury Are Before Supreme Court.

SAN FRANCISCO, August 22.—The supreme court, sitting en banc this morning heard the arguments in the joint petition of Glass, Halsey, Abbott, Brobeck, and Schmitz for writs of permanent prohibition to prevent judges of the superior court from proceeding to trial of persons indicted for bribery and other crimes by the Oliver grand jury. The illegality of the grand jury and the consequent illegality of the indictments are grounds of the petitioners.

The question is whether the inquisitorial body goes out of existence on January of each year when the list for the next grand jury was certified and drawn. Should the writ be granted a hundred odd indictments returned by the Oliver grand jury will be swept away.

In this case there are three courses left for District Attorney Langdon: To attempt to secure new indictments through the new grand jury; to proceed against the now indicted men by filing information with the superior court or drop the prosecutions.

PREPARING FOR TROUBLE.

WASHINGTON, August 22.—Brigadier-General Murray, Chief of Artillery, and Commander Spencer Wood, of the Navy, started for the Pacific Coast, where they will lay out the so-called defense sea areas, similar to those established on the Atlantic Coast.
